Dear

STAT

I have your interesting letter of November 11th. I do know Roger Hesketh and read, at his home in Southport, England, the splendid manuscript on FORTITUDE which he wrote at the time of World War II. I am surprised to find that the publication has been prohibited in England. I understood that quite a few copies had gotten into circulation and was overly surprised that it was not published for public consumption.

I certainly encourage you in your book and hope you will send me a copy.

Yours,

  
William J. Casey
